## *Introducing The ARC Group Canada Inc.*

The ARC Group is a network of independent law firms across Canada that have joined together in response to your business needs. Focusing on the areas of insurance law and risk management, members of The ARC Group deliver services to insurers, self-insured companies and other entities requiring assistance with various insurance and risk-related legal matters. We have come together with the goal of providing Canada's insurance and risk management communities with professional service of the highest quality.
